Salary

- Every 100 diamonds = 1\$
- **Payment:** The salary is a weekly calculation, the calculation deadline is 23:59 UTC every Sunday. Due to the high bank fees, we will send you money through Payoneer or Paypal within 2~4 working days of the next week.

Earnings for Anchors

Chat with users: there are 2 types of users (normal users and VIP users), a new user has the right to send 5 free messages, and there are 2 ways to continue sending messages after the 5 messages are sent.

1、Buy VIP to become a premium member, you can send messages for free.

2、Purchase gold coins to pay for sending messages.

If the user choose gold coins to send the message, it will be shown below the message to get +3 diamonds.

If the user sends a free message, the free mark will be displayed below the message.

As shown in the right picture.

Interact with users: If you interact with users and get gifts from them, you will get 20% of the gift value as the anchor's income. Example: If the gift is worth 500 gold coins, the anchor will get 100 diamonds, and the anchor can also ask users to give gifts on the gift page.

As shown in the left picture.

Lead users to buy VIP, we will reward 800 diamonds to anchors at one time for leading users to buy VIP successfully.

Lead the user to make a video call to the anchor. (Note: anchor cannot make video calls to users initiatively) In each call, the anchor will get 20 diamonds per minute.
